OF

1950

Hello Connie
I hope I can see you

Remember July

FOREWORD

HI CLASSMATES

Did you ever wonder where the name Kinlani came from? It was chosen from the Navajo word "Khin-tani-dok-oo-sted biy-a-gi," meaning, "many houses below the San Francisco Mountains." I hope you will find your most pleasant memories of this year in the 1950 Kinlani. May you always remember this year spent in one of the "Houses Below the San Francisco Mountains."

INTRODUCING

Let me introduce to you Ichabod, The Worm:

He will be our little mascot throughout this Kinlani. We hope you will learn to love him like the Kinlani Staff has during this school year.

TO THE CLASS OF 1950

Members of the graduating class: You have come to an important period in your own lives and of deep interest to us. As the representative of the faculty, I have a few words to say.

Your education has not yet been completed--it has only begun. Your school days here have been only a start to increase your development. It has been only a stepping-stone, and as you step out into the avenues of life you must look for new food, as there is ample to be gained. Don't shut your eyes to the truth and do not enshroud your lives in a cloud that will keep out the light.

The future is beautiful, broad, and entrancing to you and we trust you will make the most of it.

In whatever you choose as your after-high school pursuit, the very best wishes of the faculty and students of Flagstaff High School accompany you.

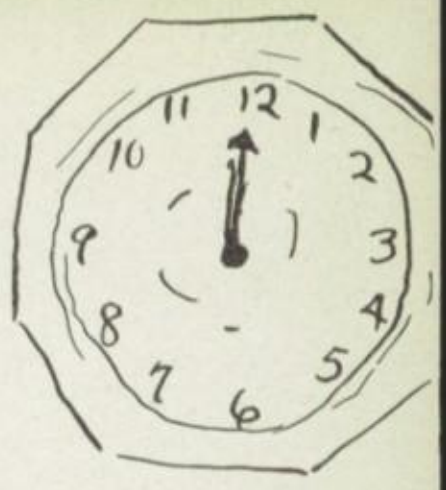
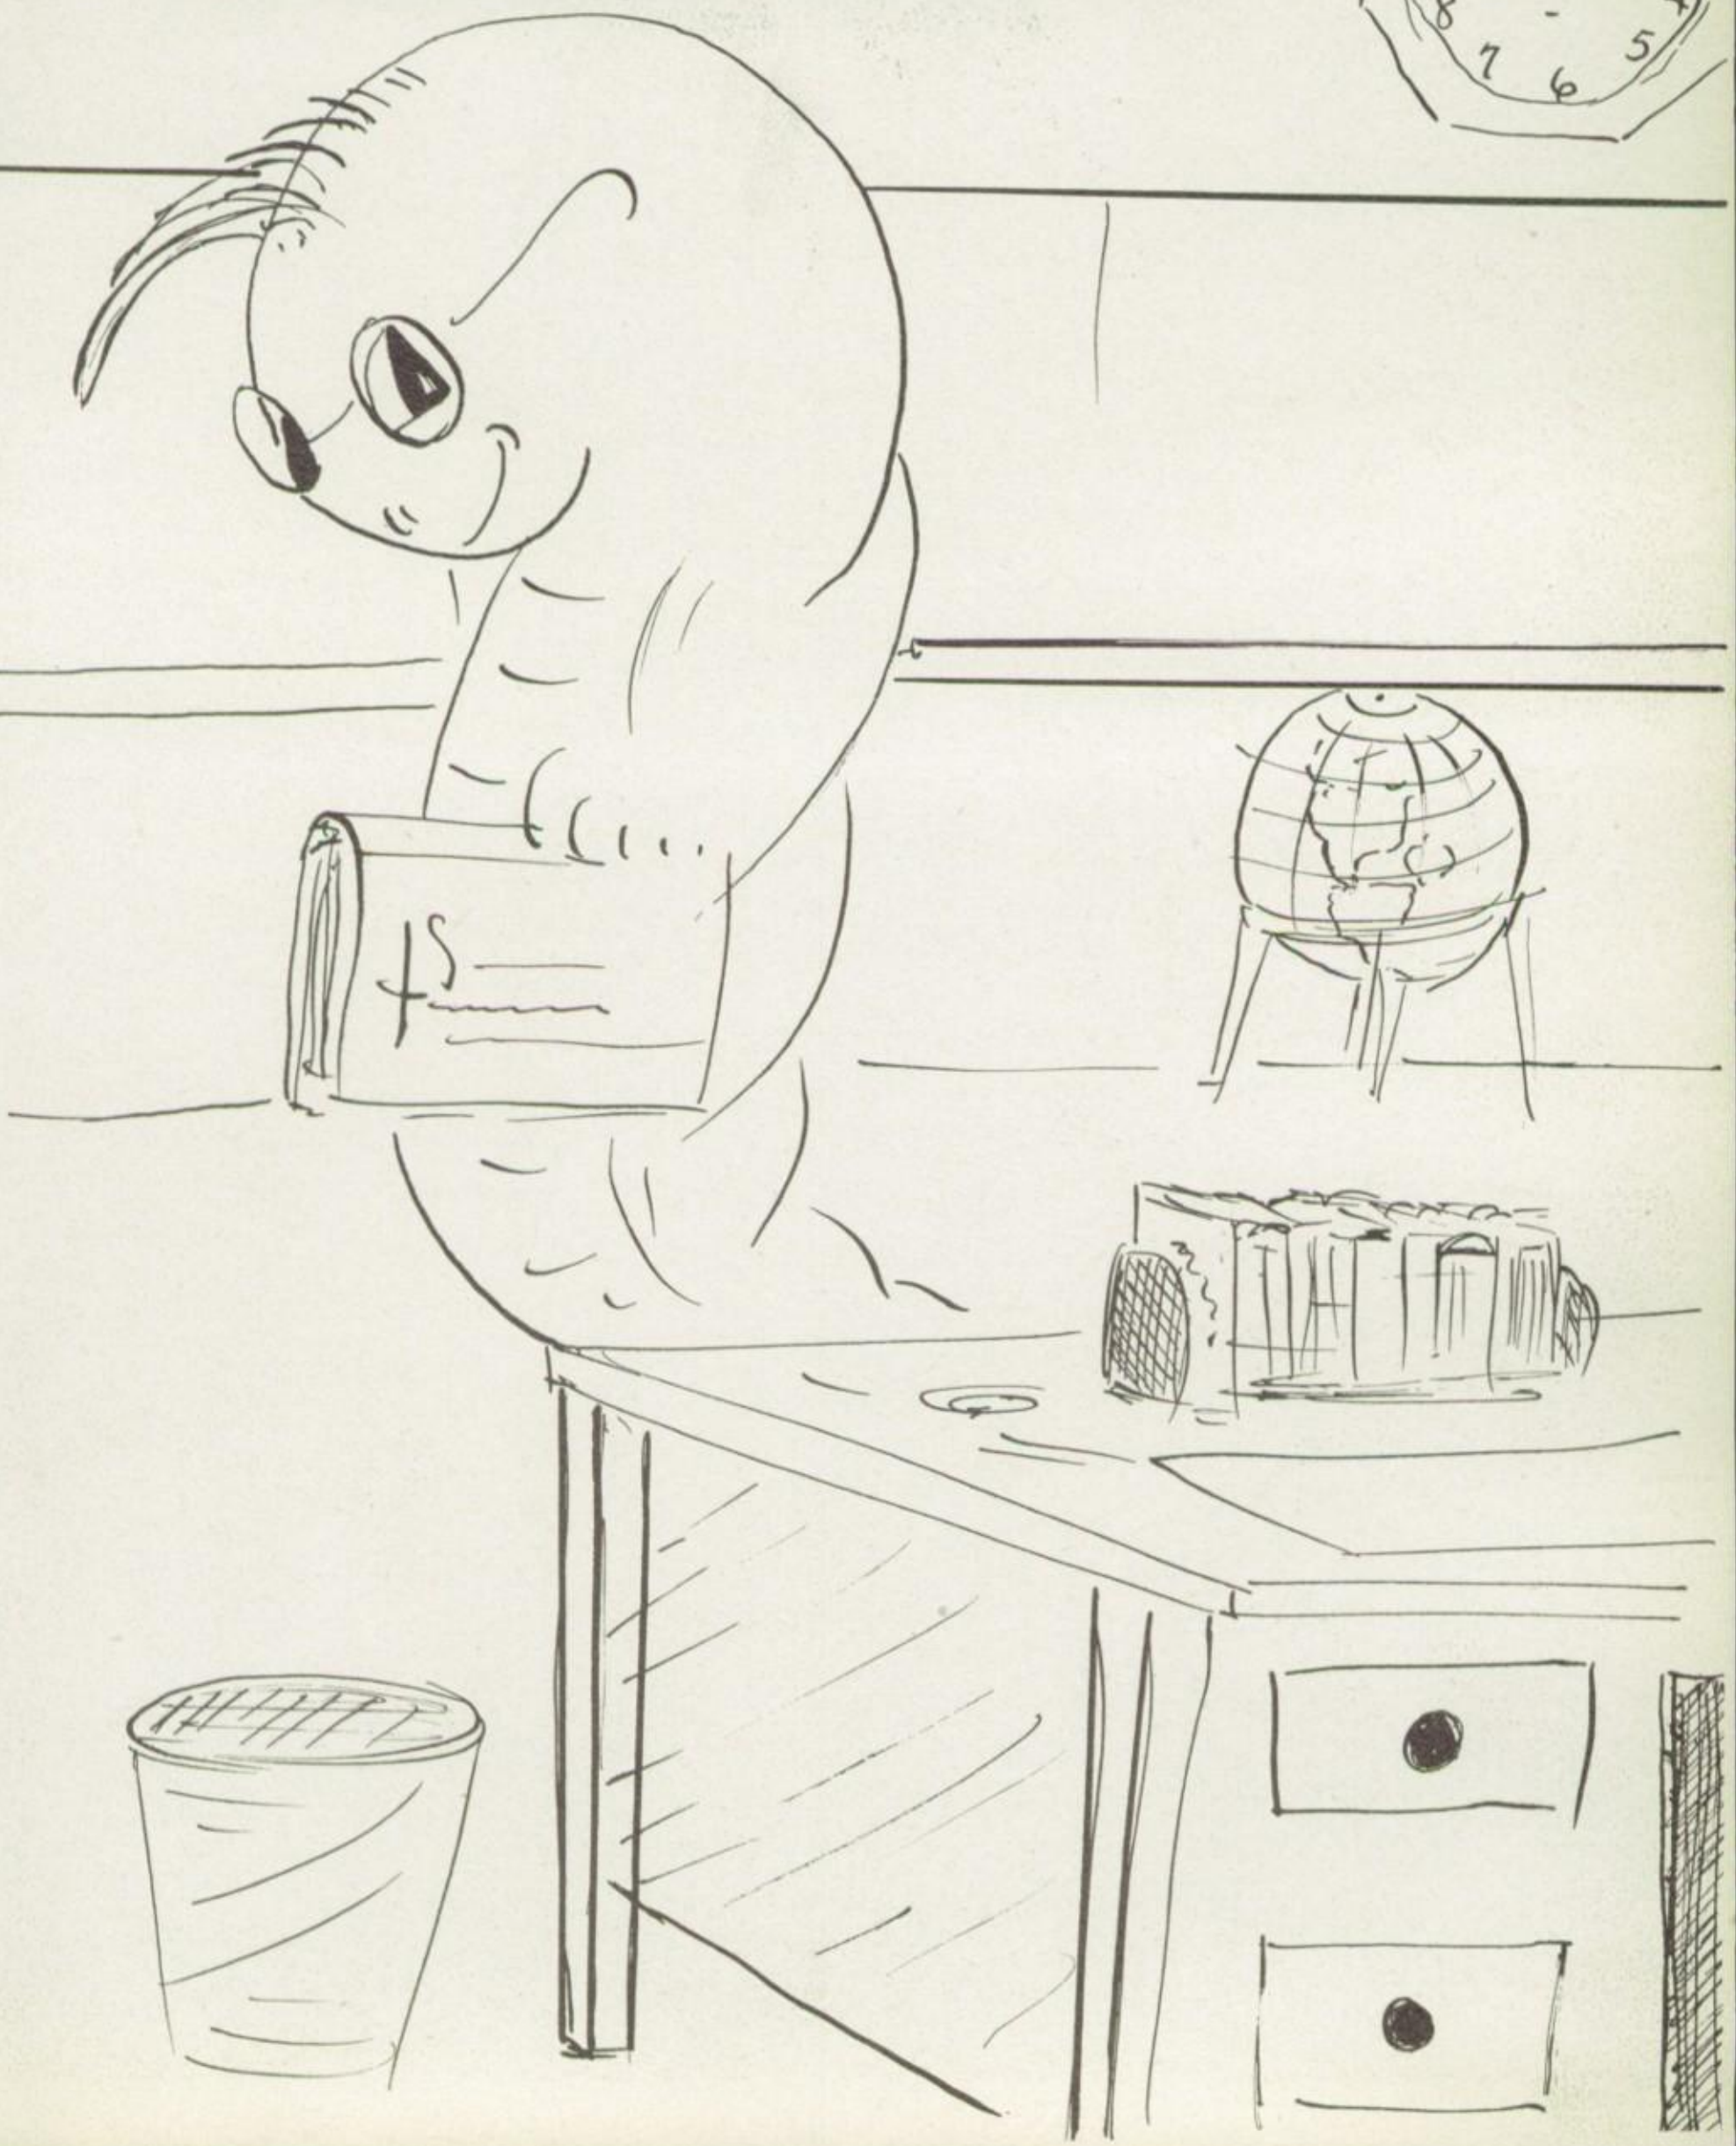
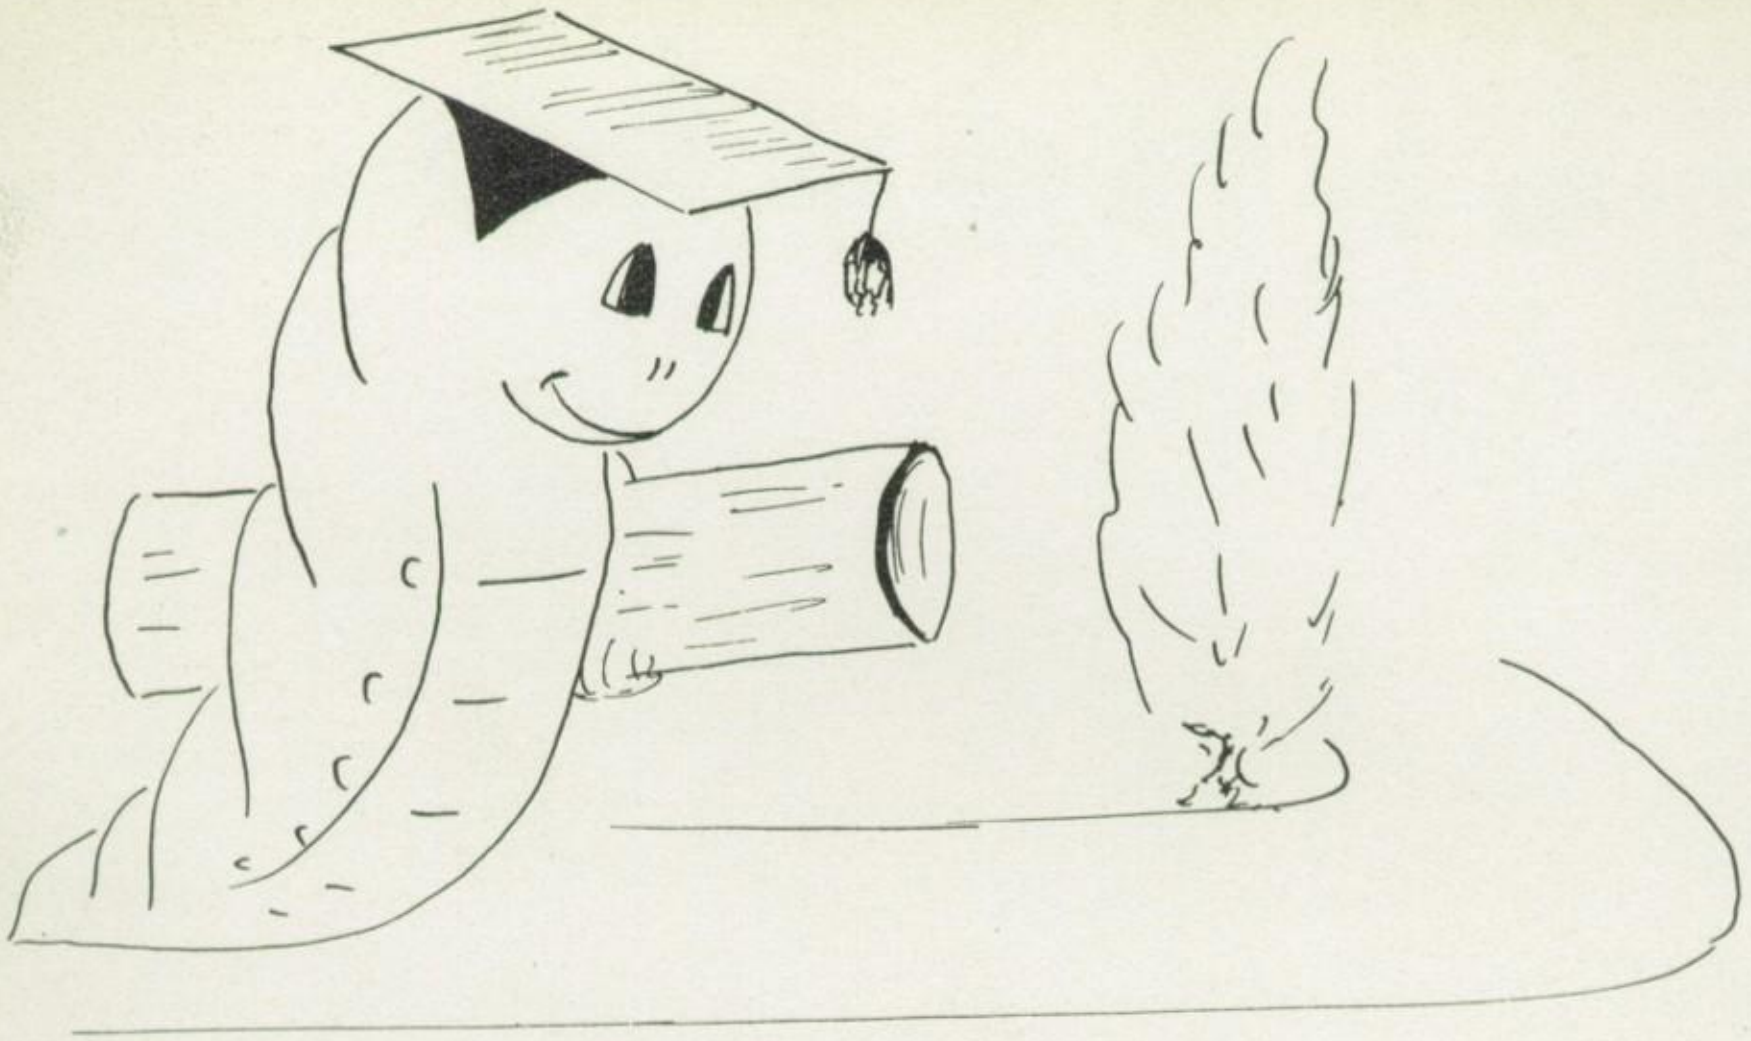
CLASSES







Yes, Ichabod finally graduated, with him go the Seniors of this year, 1950.

We have had an exciting and brilliant career in Flagstaff High School. In our Freshman year the Traditional Barn Dance was a huge success. Our Sophomore Dance was held after a football game and both out of town students and Flagstaff High students enjoyed themselves. The theme for our Junior Prom was "*Apple Blossom Time*" and though we worked hard on decorations the dance turned out to be the best in years. Under the guidance of our Senior Sponsors, this year's Hop, "*White Christmas,*" turned out to be an overwhelming success.

This is a comedy in three acts by Raphael David Blau. It takes place at Pointer College, Pointer, New York. When Mrs. Abbott decides to attend college with her daughter, Susan, the trouble starts. Susan is not in favor of her mother attending the same college with her especially when there is a good looking zoology professor involved. The Dean of the college is sure that the whole thing is a publicity stunt and wishes it would all end. With the college students running about at all times this makes for a likeable and enjoyable play at all times.

When she hears that Dick Mallon, big league ball player, is to be in town, she realizes she regrets having put a career ahead of marriage with Dick. The situation gets more complicated with the arrival of the Hollywood star, Joan Mayberry. Consequences and complications increase until the play has built up to a rousing, laughable climax. This play is one the audiences will not forget. It was well received by all who attended the performance.

. . . for everyone but me!

Good ol' summer vacation! You forget about homework, get a job and earn some extra money, or just concentrate on having fun! At least you'll have a change.

But I never get a vacation. I'm on the job day and night — winter and summer — always REDDY to serve you. Guess I should envy you, but I don't! Nope, I'm happy with my job of making life happier, healthier and easier for folks.

And that's what makes the world go 'round — lots of folks sticking to their chosen jobs. I'm glad that my life is dedicated to giving better and better service at the lowest possible cost.
